**HOW TO BOOK A FAMILY SESSION**

If you are local be sure to set up a free consultation at the studio. At this time we will go through the location you want, clothing ideas to make your session look its absolute best.

**COST OF PACKAGES AND OTHER PRODUCT**

Since everyone likes different things (albums, metal prints, folios, canvas gallery wraps, etc...) We will make a wish list of products that you and your family would like to have while you are at your consultation. This will give you a better idea at what you will be spending overall. We have packages and an a la carte list to choose from.

**RECEIVE A CREDIT ON YOUR ORDER**

We will credit you \$50 if you do the following. Come in for your free consultation and place and pay for your order at your ordering appointment. It's important that all decision makers are present for the ordering appointment.

**ADDITIONAL PROPERTY FEES**

Some of the unique locations that we get to shoot at charge photographers a fee just to use their property. This cost is already factored into the session location fee.

**SESSION FEES**

Some people ask what the session fee is for. Some locations charge the photographer to shoot on their property. This fee also helps to cover additional insurance that is required at some locations along with gas, time and editing and the backing up of your photos.
